"Just Show Up!"
Rob Spector & Laura Wagner, USH Youth Group Leaders
Revs. Cathy Rion Starr, Co-Minister
Rayla D. Mattson, Director of Religious Education
Sam Moffett, Director of Music Ministries
Doris Maldonado, Worship Associate

Join us this week for our annual USH Youth Service, presented to you through our new virtual format by our incredible Youth Group. This year's service is entitled, "Just Show Up!" and is focused on a discussion of the various service projects and field trips the Youth Group has participated in over the past Church Year. You will hear live music, interesting readings, powerful Reflections and moving stories which will undoubtedly bring hope to your heart. Despite all the challenges this pandemic has wrought, our Youth have joined together to present you with a service to remember.

Worship will be available to watch anytime on Sunday morning, but we encourage you to watch it together at 10:30am either on our homepage www.ushartford.com or join the "premiere watch party" on our [Unitarian Society of Hartford Facebook](#) page to worship and chat together.

After worship: Virtual Fellowship Time

There will be an online Fellowship Time in the Zoom Room following the service.

It should just work...but if it doesn't, fear not! We will continue to support folks in learning how to use Zoom – email Buffie at [**hartforduusociety@gmail.com**](mailto:hartforduusociety@gmail.com) if you have trouble getting in so we can get you set up for next time.

View Sunday's worship on our homepage at www.ushartford.com.

VIRTUAL RALLY FOR JOSE SOTO

As some of you may have heard, there has been a police shooting of an unarmed, young Latinx man in Manchester. With Moral Monday CT, UU Society:East is holding a virtual public witness in support of the family this Wednesday at 1:00 PM. Login/call-in info is below. There will be reporters. We need as large a turnout as we can possibly

get. Please share this information widely with anyone you believe

would be willing/able to attend. #Blacklivesmatter
#Brownlivesmatter #justiceforjay.

We're in fairly deep discernment about how to respond to this kind of racist police violence in the middle of a pandemic. One thing is clear--the typical modes of public action at police stations and town halls is not effective in the middle of a pandemic. We're hoping that virtual public witness is an effective tool. If you all have any thoughts about what may or may not be effective, please feel free to share.

Thank you!

Online Donations:

After some FAQ's regarding our online donations I did some digging and was informed that the online donating is a two step process requiring members to input their credit card information twice, once on our **USH** website and then again on **PayPal**. Pay Pal is the site that actually processes the transaction, but the office (Buffie) receives notifications when a donation is received. Please contact **Buffie Pinney** with any questions or concerns at hartforduusociety@gmail.com or **860-233-9897**.

Be Well, and Know That You Are LOVED~
 --Revs. Heather & Cathy Rion Starr

From USH the Board:

Our transition to a new virtual reality has been amazingly quick and successful, thanks to Revs Cathy and Heather, Sam, our Director of Music Ministries, Rayla, our Religious Education Director, Dianne Daniels, our Intern Minister, all of our Worship Associates, and Lisa Galinski, our Zoom-meister. Attendance at our online services and coffee hours is robust and we hope it will continue to grow. If you need help in joining in, call or email

Buffie in the office and she'll help or direct you to help. We are also moving all other meetings and functions to the internet, and so far, it's working.

While there are many unknowns financially for all of us, our community, and the broader community, there is also some good news to share. First, our Emergency Appeal has already raised over **\$18,000!** Thanks to all who have already contributed. Additional contributions are still needed and welcome. Second, our congregation's application for a federal loan, ultimately convertible to a grant, under the federal stimulus Payroll Protection Act, has been tentatively approved for over \$51,000. Assuming we receive final approval, this will be of tremendous assistance in maintaining salaries for all of our staff and meeting other needs, especially in light of the loss of rental income, weekly in-person collections, Meeting House Presents income, and the probable reduction in pledge payments from members who are suffering financially. We owe huge thanks to our Treasurer, Phil Gardner, and our Bookkeeper, Brian Mullen, for their speedy work in navigating the complex application process.

We will not conduct a normal Stewardship campaign this year. Instead, we will ask everyone who can to at least maintain their current pledge, those who cannot to let us know as soon as possible, and those who can do so to increase their pledges by 5% - 25% to help make up for all our known and anticipated revenue reductions. You'll be hearing more details soon.

Our Annual Meeting and Election of Board members and officers will be held as scheduled on Sunday, May 17, but it will, of course, be on Zoom. Further details will follow.

We can't say this often enough - if you or someone you know in the congregation is struggling, psychically or financially, PLEASE let us know. Reach out to our Ministers or any member of the Caring Committee. We want to do what we can.

USH remains a strong, vibrant, caring community. Thanks for helping us stay that way!

Joe Rubin, President, on behalf of the Board of Directors

As a reminder, the Meeting House is closed for all "in-person" gatherings for now, and we ask your help in strengthening our connections during this time. Call someone in the congregation! Organize a Zoom hangout or Connection Circle! Keep telling us your good news – new babies and such, and challenges you wish to share in worship or simply hold in confidential

prayer and love.

Moving Events Online:

We are updating our online calendar with events that are moving to an online format during this time when all in-person gatherings are cancelled. If you are an event organizer, please let Buffie know if you would like to move your program online into our USH Zoom Room (and if you need help learning to use Zoom).

Resources for the food insecure and places to give:

These are tough times for many folks already living paycheck-to-paycheck and/or food insecure. If this is you, please reach out to the Revs so we can mobilize some financial and/or food support for you. Here are a few community resources for food in particular:

- Bloomfield food for kids: Carmen Arace Middle School food pick-up: Breakfast 8:00-9:00am and lunch 12:00-1:00pm. It's a drop-in pick-up only.

- West Hartford Meals for kids and adults: <https://www.smores.com/jxwvz>

- Hartford meals for kids: <https://ct-kids.org/>

- Foodshare has mobile sites for food pick up. Click here for more info: <http://site.foodshare.org/site/PageServer?pagename=coronavirus>

Foodshare welcomes your financial contributions and is in need of volunteers especially right now. They have extra safety precautions in place. If you are not already high risk, please consider signing up. The Universalist Church of West Hartford is working to keep their pantry functioning and could use volunteers who are not in the high risk categories (underlying pulmonary/cardiac/immune issues or diabetes...and/or 50+ years old). Call Jacob Lee, their food ministry coordinator, at 860-233-3669 x109 if you are interested in helping through the coming weeks and months.

For questions about Coronavirus in CT, call 211 to talk to a person 24-hours a day, 7 days a week. The hotline is for general questions about COVID-19. If you're experiencing symptoms, contact your medical provider.

Would You Like Support?

Worrying does not take away tomorrow's troubles; it takes away today's peace. These are strange times indeed. Our accustomed normalcy has been up-ended. It's natural to feel shaken under these circumstances. However if you find yourself unusually worn down by worry, nervousness or loneliness

during this pandemic, your ministers have assembled a small team of counseling professionals. They have volunteered to offer free, supportive, confidential, one-on-one phone calls. If a phone session or two would feel helpful to you, please do not hesitate to contact either Rev Cathy at revcathyrionstarr@gmail.com or Rev Heather at revheatherriersonstarr@gmail.com. We are all in this together and together we will stay strong.

May we all stay healthy, happy and connected.

The Ordination of Margalie Belizaire

The Boards of The Unitarian Church in Westport (TUCW), where Margalie is completing her ministerial internship, and The Unitarian Society of Hartford (USH), Margalie's home congregation, are co-sponsoring her Ordination into Unitarian Universalist Ministry on Saturday, May 30th at 3pm. Due to COVID-19, the ordination will be moved online! Stay tuned for more precise details. This will be a joyful celebration of Margalie's successful journey to enter into UU ministry. Her Ministerial Committee at TUCW shares the following: Margalie Belizaire is the third Ministerial Intern at TUCW. She has greatly enriched their congregation through her sermons and the introduction of innovative forms of worship. Margalie has worked in partnership with the other TUCW ministers to develop her skills in Worship, Rites of Passage, Pastoral Care, Social Justice, and Administration. Concurrently, Margalie has been a Learning Fellow with our denomination's on-line congregation, The Church of the Larger Fellowship. In December 2019, the Ministerial Fellowship Committee of the Unitarian Universalist Association determined that Margalie completed all the necessary requirements to enter UU Ministry. Do plan to be part of celebrating the **Ordination of Margalie Belizaire on May 30th at 3pm online!**

RE News You Can Use: Rayla D. Mattson, Director of Religious Education

Hello families!!

As always, you and your well-being stay on my mind during these difficult times. I have enjoyed being in touch with many of you and look forward to still reaching out to others. You can also reach out to me! I'm looking forward to staying in touch with you all and enjoy hearing from you. I enjoy seeing some of you joining in with us for our online worship each week and look forward to having more of you join. I am excited to announce that our youth group will be leading our online service this Sunday, April 26th! They have worked hard through this new online format to pull together and change their service and I could not be more proud of them. Please tune in with me this week. During this time I appreciate so many things. While I was taking time off, I fell ill and am grateful for my returning health. I appreciate those of you who reached out to me during my illness. I continue to encourage you to

embrace the fact that we are in different times and maybe change your routine or find new and different ways to be and do. And just know that whatever you do or don't do, it's okay. There is no right or wrong way to get through this. Sending you lots of love, light, strength and health.

USH Spotlight - "Getting to Know You"

In this time of physical distancing, I thought it would be great to get to know one another a little more personally. Each week I am hoping to share with you all a little look into the lives of one our members or friends. **Tara Cote** (at left) gladly accepted the invitation to be our first Member/Friend Spotlight. I thank her for that and hope you enjoy getting to know her a little more. If you are willing to share with us something about yourself, please reach out to me and let me know. Thank You – Rayla D. Mattson, DRE

Hello everyone, I am Tara who you may have seen around USH over the years, not to be confused with Lisa Galinski (who I am confused with fairly often and who is super amazing!). I was raised in the UU faith, first at the UU society in Storrs, CT and then Newark, DE after my family moved to Pennsylvania (on the border of MD and DE). I was very active in the RE and Youth Groups at my church growing up and did service projects to South Dakota and Belize. I attended Ferry Beach, The Mountain and (my favorite) Unirondack UU summer camps. This is where I felt I was truly able to be

myself and this helped me survive the school year during my family's move and through middle school and early high school.

Therefore in my early - mid 20's when I was moving about every 6 months, I found the easiest way to meet people was going to the local UU congregation. I started attending USH in January of 2014 about a month after I first moved to Connecticut. Living in the West End at the time, there were two UU congregations very close by, so I decided to check out the 9am service at Fern Street and then come for the 10:30 service at USH and make my decision. Well, if you know me at all, you know I slept through the 9am Fern Street service and went to USH and enjoyed it, so I kept going and shortly after I started coming I was excited to meet the new ministers. I stayed in CT, even after the job I moved here for ended in November of 2014, because of the 20s and 30s group that started at USH.

Thanks to my staying here, I met Paul in August of 2015, we were married by Reverend Cathy in August of 2018 in Newark, Delaware (at the first state park I worked at!). We are still active in the 20s and 30s group and many of our closest friends are from USH. I now live with Paul, our dog Cal and our cat Kismet in Cromwell, CT. I work as a Field Trip Coordinator and Environmental Educator at Common Ground in New Haven, where I get to do my dream job of working outdoors with students. I have the privilege of taking students hiking in the woods, on tours of our small urban farm or on playdates to our outdoor classroom. I have a passion for hiking, mushrooms and the 4 seasons in all of their glory. Later this spring, I hope to take anyone who wants to watch on a virtual Mushroom Hunt in the woods to see what we can find!

These past weeks have been rough for me, as an extrovert, a family of April birthdays, and because all of my trips have had to be canceled (in the middle of Maple Sugaring season and right as Spring is ramping up), but I know these are minuscule problems in the bigger picture. I have been able to stay employed through this thanks to finally becoming full-time this past September, so I have been working on revamping my curriculum, helping on the farm 2 days a week and hiking with Paul and our dog! I am currently healthy, with no children (yet) and younger, so if there is anyone who needs help with getting stuff from the grocery store, please let me know. I am trying to limit my exposure as much as possible and only try and go out once a week or week and a half, so if I can fit your shopping in with mine it would be ideal! I shop at Whole Foods, Trader Joes and Stop and Shop primarily.

Send me a photo of your favorite mushroom, some weird bug you find or just a hello, I love all things people and nature...yes even spiders and snakes! Thank you!

White People: Standing Up to Anti-Asian Racism During a Pandemic

After seeing multiple requests from Asian folks and other folks of color to interrupt the fear, ignorance and racism in the time of COVID-19, I feel called to reach out to my White community and ask us to do more. My humble offering comes from my perspective as a White woman working to end racism. I invite accountability from those targeted by racism to help us all reach a new, critical perspective in order to eliminate the pain and trauma racism causes and change our system for the better.

Tell CT Governor Ned Lamont and CT State Agencies - Protect Immigrant Communities in Connecticut during the global COVID-19 pandemic.

Click here to sign the letter: <https://actionnetwork.org/petitions/tell-gov-lamont-protect-immigrant-communities-in-connecticut-during-the-global-covid-19-pandemic?source=email&>.

Thank you for joining this community effort - Together we are strong. Undocumented immigrants are at the front lines of the COVID-19 pandemic. We are the health care workers, grocery store workers, janitors, business owners, and restaurant workers who are working tirelessly to keep our communities safe and running. Yet immigrant communities have been left out of most federal relief packages. We cannot continue to have our workers and families on the front lines, who already lack equitable access to healthcare, and who remain susceptible to a silent, widespread threat with the potential to decimate total population health. The state of CT has not yet acted to protect our state's immigrant community - this is unacceptable! Sign our petition link above to Governor Lamont and DEMAND that CT protects its immigrant community during the COVID-19 pandemic.

Sam Moffett: Virtual Concert, Tuesday, April 28th at 8:00 PM EST, USH Facebook Page

Hey everyone! For anyone craving some more music during this time apart from one another, I will be doing a live concert, streaming from the USH Facebook page this coming Tuesday, April 28 from 8:00 PM to 9:00 PM. I'm going to playing music from artists such as Bob Dylan, Lenny Kravitz, The Beatles, Jack Johnson, Grateful Dead and more! I hope to see some of you there

USH CHOIR - Music for these troubled times

I regret that I'm unable to see you all in the sanctuary on Sundays, as our practice of digitized worship continues and develops.

During troubled times such as these, I often turn to music as a way of spiritual practice and healing. Sometimes I focus in on a particular song, while other times I have it on in the background as I'm doing other life tasks. I have found a YouTube playlist from Davies UU Congregation in Camp Springs, Maryland. I hope that some of you might find this playlist comforting throughout these weeks: <https://www.youtube.com/playlist?list=PL6B257199CC44C6AB>.

Thank You, Sam Moffett, Director of Music Ministries

Sew....Can You Help Us Out?
We Need You to Make Face Masks!

The Hartford Gay & Lesbian Health Collective is asking all of our friends who are handy with a needle and thread or a sewing machine to help meet the challenge of making Reusable Face Masks for Health Care Providers in our community. We don't need to tell you the urgency of the situation – unfortunately it is only going to get worse. There is a critical shortage here in Connecticut. YOU can do your part to make a difference! The Health Collective is asking talented individuals to help make Reusable Face Masks. We will provide material, elastic and sewing instructions. They are very easy to make. We ask that you come to the Health Collective to pick up the components and bring back the completed Face Masks. We even provide roadside delivery when you come to our Hartford office. Peace – as we come to the close of the USH-Enews week.

Be kind to others – and to yourself.

Our Unitarian Universalist Principles: The member congregations of the Unitarian Universalist Association covenant to affirm and promote: the inherent worth and dignity of every person; justice, equity, and compassion in human relations; acceptance of one another and encouragement to spiritual growth in our congregations; a free and responsible search for truth and meaning; the right of conscience and the use of the democratic process, within our congregations and in society at large; the goal of world community with peace, liberty, and justice for all; respect for the interdependent web of all existence, of which we are a part. Consider the proposed 8th Principle as well! <https://www.8thprincipleuu.org/>.
