Sunday Worship
January 31st, 2021 10:00am
“Imagine What Else We Can Do...”

Rev. Dr. Adam Robersmith
The final week of our CT UU
Tour takes us to
the Universalist Church of
West Hartford. The events of last year forced us to reimagine what life might be like because

of the pandemic, racial injustice, threats to our democracy, and climate-related disasters. We discovered that we could have clear skies instead of smog, a multiracial movement for justice, powerful movements for democracy, and a vaccine in less than a year. If we can do all that, imagine what else we can do...

Worship this week will be in YouTube here:

We will share a Zoom link for worship and & Fellowship Time/Coffee Hour in the reminder on Saturday.
