**Mario Kart and UU History Team Up This Summer!**

Rev up your engines and grab your power stars, USH RE is holding a special Mario Kart racing event throughout the summer in the library during services! We had three amazing competitors last weekend and the leaderboard is as follows:

1. **Maja Čapeach.**
2. **Henry Wigglesworth Longfellow.**
3. **Daisythea Dix.**
4. **Rosalina Waldo Emerson.**
5. **Kamek Servetus.**
6. **Petey Piranha Murray.**
7. **Yoshi Starr King.**
8. **Henry David Toad.**

You might have noticed some familiar names in our leaderboard, specifically names shared with famous Unitarian Universalists such as Henry Wadsworth Longfellow and Michael Servetus All our leaderboard names this summer are connected to historical UU's who we'll be learning about before the races begin each Sunday this summer! (And they're also connected, of course, with a beloved Mario Kart racer!)

Come this weekend to learn about Henry Wadsworth Longfellow and Michael Servetus before racing with a historical figure of your own!

**Join us in the library during services, 10:30 AM to 11:30 AM to participate!**

**The Chalice Clubhouse Reading List is Here!**

**THE CHALICE CLUBHOUSE**

**SUMMER READING 2023**

Summer is a great time to hone your reading skills, and the Chalice Clubhouse has a complete listing of all the stories read, or inspired by, our programming throughout the last year at USH! All entries have the front cover, ISBN numbers, a short summary, ages, and a fun fact about each book. Be on the lookout for our seven principles and six sources as you read! How many can you find in each story? Check out your local library for these and other titles from the same authors! Happy reading!
