## Join Us for An RE Families Meeting!

Dear Parents, Guardians, Caregivers,

It's a new congregational year here at the Unitarian Society of Hartford. We want to hear from you – what are your hopes, what would you like to see for your children here at USH, and how can USH best serve, support, and inspire you and your families, on Sundays and on every other day. Basically, we just want to have a chat, and brainstorm a few ideas of what might be fun and useful events and programming. We know it's not easy being a parent or guardian, and we want to find ways to build community, nourish, and inspire around your busy schedule.

**We hope that you are available to come on Sunday, September 23, from noon – 1 p.m.** We'll have a few light sandwiches including veggie/vegan – if you are gluten-free or have other dietary needs we'd love to provide for that. Just let us know. If anyone can't make it but wants to Zoom in, please let us know that, too; we can send a link. Guests are welcome if you know of any other caregivers or parents who might be interested.

Thank you so much for your time and hope you can make it.

Kind regards,

Rev. Bob Janis, Contract Minister
