## RE Makes A River!

In honor of the end of Native American and American Indian heritage month, The Chalice Clubhouse heard the story of *We Are Water Protectors* by Carole Lindstrom, which discusses the ongoing struggle to preserve the safety of the ecosystem and communities which surround The Dakota Access Pipeline.

**This story connects to our Seven Principles we covenant as Unitarian Universalists, particularly our 6th and 7th Principles that tell us to work for peace, liberty and justice for all peoples and to take care of our planet we all share.**

With assistance from their 4th Sunday Youth Group Buddies, our participants all made their all interpretations of a river, then we joined them together to make a great river of our combined visions, showing how all our perspectives are valuable and add beauty and richness to our lives.

## See You In Service This Weekend!

## Join us in the Sanctuary for...

## Faith Focus Sunday

This Sunday, December 3rd, will be a Faith Focus Sunday for our children and youth!

**All children, youth, and their families are invited to sit on the left-hand side of the Sanctuary facing the pulpit to listen and observe the service.**

There will be puppet listening buddies available for those in the pews, along with the Quiet Room, a space available for children and youth with fun activities, located off the ambulatory with the service live streaming.

We hope to see you there!
