Come Explore with Us at Sunday School!

This weekend will be Sunday School classes for our children and youth to explore ideas and concepts that we often discuss in our Unitarian Universalist traditions!

The Chalice Clubhouse (grades K-5) will explore the concept of love and how it manifests in different ways in our lives to commemorate the upcoming Valentine's Day. We will hear a story and be making a circle of love to visualize how far our love stretches.

The USH Youth Group will be holding a very special yoga session with a guest instructor from our congregation, Lu Giammatteo! **We ask that youth wishing to participate wear comfortable, easy-to-move-in clothing and bring a large towel.**

Classes start at 10:30 AM in the classrooms off Fellowship Hall, we hope to see you there!

Our Whole Lives for 9th and 10th Graders this Sunday!
